Graph Paper  
#2 Pencils  
Ball Point Pens (Blue &/or Black)  
Red Correcting Pencil or Pen  
Colored Pencils  
Washable Colored Markers (no permanent ink)  
Eraser  
Ruler (Centimeters and inches)  
Calculator \*\*  
Pencil Case (durable)  
Silent Reading Book  
1 box Facial Tissues (Klennex)

\*\*JCMS students will be required to have their own calculators. The calculator should be a non-graphing, scientific calculator. This means it will have basic scientific and trigonometric functions including logs, exponents and roots. A calculator with a 2-line display is recommended but not mandatory. The TI30-XII from Texas Instruments would be adequate. In addition to being used at JCMS, it will also meet the student's needs for Science classes at Lumen Christi. You may purchase this type of calculator at office supply and general merchandise stores in Jackson.

***Please be sure to label everything with the student's name.***
